

We are recruiting!

Junior Software Tester

Become a Junior Software Tester at TestSolutions

About TestSolutions Rwanda

TestSolutions is a German company offering software quality assurance services for major international companies such as Lufthansa Group, German Railways (DB), BNP Paribas, Hyundai Europe and many others. For our new Kigali office, we want to hire motivated young local staff for our international software testing projects.

We are looking for people with:

- ▶ High Attention to Detail: Don't miss a bug!
- ▶ Good Communication Skills: Is it a bug or a feature? You need to find out!
- ▶ Problem-Solving Mindsets: Make everything testable!
- ▶ A Strong Willingness to Learn: Technology evolves fast – and you need to stay on top

Our perfect candidate is...

- ▶ Experienced in software testing or in other IT-related fields of work.
- ▶ Fluent in English (verbal and written)
- ▶ Practiced in working with Microsoft Office (Word, Excel, PowerPoint) and Teams
- ▶ Knowledgeable regarding basic computer science principles, folder structures and website architecture.
- ▶ Communicating in a structured, direct and clear way.
- ▶ Solving IT problems and can conduct research.
- ▶ Capable of working individually and in a team.
- ▶ Willing to develop the necessary skills for getting the work done.
- ▶ Very motivated to grow as an integral part of an international team.

Working with TestSolutions Rwanda means:

- ▶ Extensive training opportunities.
- ▶ Exciting projects in a dynamic IT company.
- ▶ Getting to know new industries.
- ▶ Practice to work within complex technical contexts.
- ▶ An international and open atmosphere.
- ▶ Communication always at eye level.
- ▶ Salary above market range, Private Health Care package

If you are interested in the position, please email your CV and a cover letter to **test.ruanda@gmail.com** CC: **info@aipi.rw**

We would love to read about your knowledge in all IT-related subjects, why you are interest in the position, and your personal development goals in software QA.

If we think that your profile might fit the position, we will send you a brief and doable assignment for a basic skill verification.
